

Celebrating Videogame Collections

Every month at the National Videogame Museum we celebrate a different object from our collection and share its history. Create your own 'Object of the Month' by drawing an object from your wonderful collection.

DRAW

Draw your object in here! This could be a videogame or your favourite videogame object (figures, clothing, consoles, books).

WRITE

Tell us about your object here!
How long have you had it?
Who made it? Why is it great?

Object of the Month
